All TCRC Local Chairs- CPR Eastern and Western Regions - Bulletin 15

This is to update the Divisions and is further to our previous Negotiations Bulletin No. 14. The parties have now met with the Honourable George W. Adams, Q.C., in his role as mediator/arbitrator in our dispute with the Company and to achieve a Collective Agreement.

The mediation/arbitration process from October 5 to 9, 2015 in Toronto has now concluded. Mr. Adams has indicated to the parties the final hearing date that had been previously scheduled for October 16, 2015 will not be necessary. He has all of the written submissions from the parties and he has a full understanding of the arguments and about the issues. He has indicated that he does not require the final date and has sufficient information to complete and issue his final and binding decision.

The entire Bargaining Committee wishes to thank all of the Local Chairs and the membership from each of the Divisions for all of the information advanced to the Committee and for the ongoing solidarity and support throughout the entire process. It has been invaluable.

We also express our appreciation to Teamsters Canada and the TCRC National Office for their continued assistance and support, and to our Legal Counsel Michael Church and Harold Caley.

Your Bargaining Committee will inform you as soon as possible on any new developments.

In Solidarity,

Dave Fulton
